Remarks

The claims have been amended to remove "Swiss" type claims 8-15 which are not required in US practice. Claims 22-28 have been amended to remove multiple dependency.

5

The specification has been amended at p.5 line 11 to correct a typographical error with respect to the "Tyr¹" moiety. A substitute page 5 is transmitted herewith.

In view of the foregoing comments and amendments coupled with the PCT Examiner's finding of compliance with PCT article 33 (2)-(4), prompt passage to issue is respectfully solicited.

Respectfully submitted
